AWAKEN THE SENSES

Inside an intimate cocoon, soothed by relaxing music, the senses are aroused and the mind is calmed. Before each treatment, Beauty Experts ask each guest to choose their own olfactory theme to create an atmosphere of relaxation and serenity. This theme helps to encourage gentle relaxation and to ensure that the journey to well-being is enjoyed to the full.

Rare orchids with outstanding longevity properties, healing bee products... Since it was founded, Guerlain has been inspired by nature, respectfully drawing on its sensoriality and effectiveness. This unique quest for perfection is echoed at every single Guerlain Spa. Inside each haven, complex rituals are performed to the most exacting standards, the result of extensive development and research. So that every single Guerlain treatment, throughout the world, may be an unforgettable experience.
