KNOW - HOW & daring

Guerlain opened its Institute and aesthetic training school in 1939. It has since trained all its Beauty Experts there, inspiring them to be ambassadors for Guerlain excellence. Throughout the world, these Experts carry out treatments requiring tremendous technical skill, such as the 19-minute facial treatment, which is considered as an industry standard. Spurred on by its pioneering and enterprising vision, Guerlain has been developing massage techniques that combine tradition and

innovation for more than 80 years. With its years of know-how and expertise, Guerlain ensures that every single treatment is an outstanding and personalised experience. Guerlain Beauty Experts perform Guerlain protocols with perfect skill, while being attentive to each individual. The diagnosis stage allows the Experts to adapt their movements and pressure to meet precise needs and expectations. For a unique and absolutely unforgettable experience...

the senses

A MULTISENSORIAL EXPERIENCE
WHERE PLEASURE
MEETS EFFECTIVENESS

Inside an intimate cocoon, soothed by relaxing music, the senses are aroused and the mind is calmed. Before each treatment, Beauty Experts ask each guest to choose their own olfactory theme to create an atmosphere of relaxation and serenity. This theme helps to encourage gentle relaxation and to ensure that the journey to well-being is enjoyed to the full.

Rare orchids with outstanding longevity properties, healing bee products... Since it was founded, Guerlain has been inspired by nature, respectfully drawing on its sensoriality and effectiveness. This unique quest for perfection is echoed at every single Guerlain Spa. Inside each haven, complex rituals are performed to the most exacting standards, the result of extensive development and research. So that every single Guerlain treatment, throughout the world, may be an unforgettable experience.

THE ART OF TAILOR-MADE

TAILOR-MADE TREATMENT 1H | 1H30 | 2H

Guerlain tailor-made treatment is sustained by an approach that goes back more than 80 years... Infinite personalisation, an extraordinary, highly specialised experience: fine combinations of Guerlain products, innovative gestures, rituals derived from know-how of the greatest Eastern and Western masters... The treatment begins with a meeting, during which the Guerlain Beauty Expert discusses all subjects relating to wellness: including nutrition, physical activity, level of fatigue and stress. This exchange allows her to design perfect pairings for the face and body and meet specific needs rather than simply performing pre-established protocols. At any time, your treatment can be modified and adapted as you wish. Guerlain takes you far beyond the realm of just skincare.
