#### A UNIQUE KNOW HOW

In 1939, Guerlain opened its first "Institut de Beauté" at 68 Avenue des Champs Elysées and invented an exclusive facial massage technique. Guerlain facial massage technique remains just as unique and exclusive today. It has been enriched by numerous exclusive treatment protocols, all created to offer the best in aesthetic expertise and maximum efficiency.

#### A CUSTOMISED EXPERIENCE

Every treatment is transformed into a unique and personal occasion, a moment created especially for you – this is the essence of the Guerlain experience, the perfect union of effective know-how and aesthetic expertise.

Our Beauty Coaches begin each treatment with a systematic analysis and precise skin diagnosis to reveal your specific beauty and well-being profile.

They thus gain intrinsic understanding of your essential concerns to tailor a treatment according to your needs, your expectations.

Guerlain performs each treatment with a unique virtuosity, setting a tone of instant tranquillity with a relaxing footbath that gently envelops you in a delicate Guerlain scent. This soothing prelude creates a cocoon of total relaxation, marking the beginning of your journey of personal transformation.
